### **Independent Auditor's Report**

To the Board of Directors of the Chi Chi Rodriguez Youth Foundation, Inc.

## **Opinion**

We have audited the accompanying financial statements of Chi Chi Rodriguez Youth Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chi Chi Rodriguez Youth Foundation, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chi Chi Rodriguez Youth Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chi Chi Rodriguez Youth Foundation, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Independent Auditor's Report (continued)**

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures in
  the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chi Chi Rodriguez Youth Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chi Chi Rodriguez Youth Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## 1. Description of Organization and Significant Accounting Policies

## **Organization**

Chi Chi Rodriguez Youth Foundation, Inc. (the Organization) is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, located in Clearwater, Florida. The Organization provides academic and vocational junior golf and personal life management programs for disadvantaged children through its golf course and classroom facilities. The Organization is supported by public contributions and net revenues generated from the operation of its golf course and driving range.

## **Basis of Accounting**

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Financial statement presentation follows GAAP for not-for-profit organizations. Accordingly, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions.

*Net assets without donor restrictions*: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

*Net assets with donor restrictions*: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Revenue is reported as increases in net assets without donor restrictions unless use of the related assts is limited by donor-imposed restrictions. Expenses are reports as decreases in net assets without donor restrictions.

Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenue of the net assets without donor restrictions class. Contributions are recognized when the donor makes a promise to give to the Organization, that is, in substance, unconditional.

#### Cash, Cash Equivalents and Restricted Cash

For purposes of the statements of cash flows, the Organization classifies all highly liquid assets with an initial maturity of three months or less as cash and cash equivalents. The Raymond James Bank deposit program accounts in the Raymond James Endowment Fund are included in the statements of cash flows as restricted cash.

#### **Investments**

In accordance with GAAP, investments in marketable securities with readily determinable fair values are reported at their fair values in the statements of financial position, and changes in fair value are reported as investment income or loss in the statements of activities.

Investment securities are exposed to various risks such as interest rate, market and credit. Due to the risk associated with investment securities and the uncertainty related to changes in the value of such

## 1. Description of Organization and Significant Accounting Policies (continued)

securities, it is at least reasonably possible that changes in risks in the near term could materially affect the fair value of investments and the amounts reported in the statements of financial position and the statements of activities.

#### **Fair Value Measurements**

GAAP establishes a fair value hierarchy that prioritizes the valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 consists of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 consists of other than quoted prices included in Level 1 that are observable, either directly or indirectly, and Level 3 consists of unobservable inputs and has the lowest priority. The Organization uses appropriate valuation techniques based on the available data to measure the fair value of its investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

#### **Inventories**

Inventories consist of golf club and driving range merchandise and snack bar items and are stated at the lower of cost or net realizable value. Cost is determined using the first-in, first-out method. There was no reserve required as of June 30, 2023 or 2022.

#### **Property and Equipment**

Purchased property and equipment are stated at cost. Donated property and equipment are recorded at fair market value as of the date received. Depreciation is computed primarily on a straight-line basis over the estimated useful lives of the assets ranging from 5 to 40 years. The Organization capitalizes all purchases and donations of property and equipment with a cost or fair market value of at least \$2,500.

### Leases

The Organization determines if an arrangement is a lease at inception. Right-of-use assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent their obligation to make lease payments arising from the lease. Right-of-use assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term discounted by the risk free rate for the operating leases and the rate implicit in the lease for the finance lease. The risk-free rate used is based on the U.S. Treasury instrument rate for the same period of time as the lease term. The Organization has lease agreements with lease and non-lease components, which are generally accounted for separately. Lease terms may include options to extend or terminate certain leases. The value of a lease is reflected in the valuation if it is reasonably certain management will exercise an option to extend or terminate a lease.

The Organization has elected the short-term lease expedient. A short-term lease is a lease that, as of the commencement date, has a lease term of 12 months or less and does not include an option to purchase the underlying asset that the lessee is reasonably certain to exercise. For such leases, the Organization will not apply the recognition requirements of the lease standard and instead will recognize the lease payments as lease cost on a straight-line basis over the lease term.

## Chi Chi Rodriguez Youth Foundation, Inc. Notes to Financial Statements

## **Years Ended June 30, 2023 and 2022**

## 1. Description of Organization and Significant Accounting Policies (continued)

## **Revenue Recognition**

Public support revenues include special fundraising events, contributions and grants.

Revenues from special events are recognized when the payments are received if the event is held in the same fiscal year as the receipt of the payment. All revenues from special events held during the years ended June 30, 2023 and 2022 were collected in the same fiscal year as the events, so there were no deferred revenues at the end of either fiscal year.

Revenues from unconditional contributions and grants are recognized when received. Revenues from conditional contributions and grants, that is those with a measurable performance obligation or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

Revenues from golf, driving range, pro shops, and snack bars are recognized when the goods or services are provided. Revenues from the sales of gift cards and range cards are deferred until used, and the revenue is recognized when the goods or services are delivered.

Rental income from the lease of the paintball facility is recognized on a monthly basis over the term of the lease.

#### **Donated Materials and Services**

Donations of materials are recorded as support at their estimated fair value at the date of donation. Donations of services are recorded as support at their estimated fair value if the services rendered require specialized skills, are provided by individuals possessing those skills, and would typically be purchased if not provided by donation.

The Organization also receives donated services from a variety of unpaid volunteers. No amounts have been recognized in the accompanying statements of activities because the criteria for recognition of such volunteer effort under GAAP have not been satisfied. The volunteers provided approximately 7,646 and 6,385 hours in volunteer services during the years ended June 30, 2023 and 2022, respectively.

#### **Functional Expenses**

Direct expenses are recorded to the functional category to which they relate. Salaries and related expenses have been allocated to functional categories based on management's estimate of time spent for each function. Depreciation, insurance, maintenance, rent and utilities have been allocated based on management's estimate of square footages and usage of buildings and land. Other expenses are allocated based on management's estimate of the relative functional activity.

### **Income Taxes**

The Organization is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and state income taxes under Chapter 220.13, Florida Statutes. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

.

## 1. Description of Organization and Significant Accounting Policies (continued)

#### **Estimates in Financial Statements**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases or decreases in net assets during the period. Actual results could differ from those estimates.

## **Recently Adopted Accounting standards**

Effective July 1, 2022, the Organization adopted Accounting Standards Update (ASU) No. 2016-02, Leases, which requires lessees to recognize leases on the statement of financial position and disclose key information about leasing arrangements. The Organization elected not to restate the comparative period (2022). It also elected not to reassess at adoption (i) expired or existing contracts to determine whether they are or contain a lease, (ii) the lease classification of any existing leases, or (iii) initial direct costs for existing leases. As a result of implementing ASU No. 2016-02, the Organization recognized right-of-use assets of \$555,493 and lease liabilities totaling \$488,861 in its statement of financial position as of July 1, 2022. Simultaneously, the Organization derecognized property and equipment totaling \$139,596 and capital lease obligations totaling \$72,662. The adoption did not result in a significant effect on amounts reported in the statement of activities for the year ended June 30, 2023.

#### 2. Land Use Contribution Receivable

Land use contribution receivable consists of the following at June 30, 2023 and 2022, respectively:

	2023	2022
Land use contribution receivable based on total remaining imputed rents	\$ 1,728,190	\$ 1,867,373
Less: discount	(442,668)	(508,934)
Land use contribution receivable, net	1,285,522	1,358,439
Less: current portion of land use contribution receivable	(76,648)	(72,917)
Land use contribution receivable, net of current portion	\$ 1,208,874	\$ 1,285,522

In November 1985, the Organization entered into a lease agreement with the City of Clearwater (the "City") for approximately 164 acres of land to be developed as a golf course. The lease was amended in November 2000, extending the lease term through November 2025. The lease was amended again in August 2018, extending the lease term through November 2035. The lease requires annual lease payments of \$1. As part of the lease, the Organization constructed educational and rehabilitative facilities that include an 18-hole, regulation size golf course and driving range. GAAP requires that the City's lease commitment be recorded as a contribution with donor restrictions. As a result of the long-term nature of the lease, the City's original contribution was recorded at the appraised value of the land which was \$2,905,000. The receivable is amortized and imputed rent expense of approximately \$139,000 is recognized annually using a 5% interest factor based on interest rates at the date of the latest lease extension and reflected as net assets released from restrictions on the statements of activities.

## 3. Endowment Fund – Raymond James

In September 2018, the Organization received a \$1 million donation from the Jim Moran Foundation. The declaration of gift stipulated that it be designated towards the Chi Chi Rodriguez Foundation Endowment and proceeds derived from the endowment shall be used in fulfillment of the stated mission of the Organization. The donation was deposited to a Freedom Investment account at Raymond James & Associates (Raymond James).

In October 2018, the Board of Directors adopted an Investment Management Policy Statement for this endowment which complies with the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA). This policy statement governs the investment management responsibilities, investment objectives, asset allocation guidelines, permitted assets, prohibited transactions and distribution policy. The principal objective is to provide supplemental operating funds to the Organization on an annual basis while maintaining the principal value of the funds. The goal is to make available during each fiscal year an amount equal to 4.0% of the market value of the endowment portfolio as calculated on the first day of the fiscal year, using a three year rolling average. However, market conditions can dictate a lesser amount.

The Raymond James endowment fund at June 30, 2023 and 2022 consisted of the following:

	 2023	 2022
Raymond James Bank deposit program accounts	\$ 24,530	\$ 41,526

## 3. Endowment Fund – Raymond James (continued)

The mutual fund investments are reported at fair value in the accompanying statements of financial position as of June 30, 2023 and 2022 as follows:

	20	)23	2022			
	Fair Value, Level 1	Cost	Fair Value, Level 1	Cost		
Mutual funds	\$ 1,656,923	\$ 1,659,147	\$ 1,400,531	\$ 1,502,869		

## 4. Endowment Fund – Community Foundation

In August 2013, the Organization entered into an agreement with the Community Foundation of Tampa Bay, Inc. (Community Foundation) to establish the Chi Chi Rodriguez Youth Foundation Endowment Fund within the Community Foundation. The purpose of the endowment fund is to provide a greater income stream for the growth and stability of the Organization.

The money is invested in an investment pool managed by the Community Foundation. The Community Foundation invests the assets and receives compensation for their managing services. This fund is board designated and contains no donor imposed restrictions, therefore the funds are classified as net assets without donor restrictions.

The Community Foundation endowment fund activity for the years ended June 30, 2023 and 2022 was as follows:

	2023		2022	
Beginning balance	\$	361,759	\$	398,148
Interest and dividends		7,074		7,180
Realized and unrealized gains (losses)		30,346		(40,575)
Administrative and investment fees		(2,793)		(2,994)
Ending balance	\$	396,386	\$	361,759

The fair value of the Community Foundation endowment fund is based on the quoted net asset value of the shares held by the Organization in the Community Foundation investment pool at year-end. The net asset value of the investment pool is based on quoted market prices at the close of business.
